

Vadodara, August 09th 2022: Chemcon Speciality Chemicals Limited, a leading manufacturer of specialized chemicals, such as Hexamethyldisilazane (“HMDS”), Chloromethyl Isopropyl Carbonate (“CMIC”) and inorganic bromides, announced its un-audited financial results for the quarter ended on June 30th, 2022.

Financial and Operational Highlights

Commenting on the results, Mr. Kamal Aggarwal, Chairman & MD said, “We are delighted to report the highest ever quarterly performance led by healthy demand across the product portfolio. For Q1FY23, we have registered a revenue of Rs 89.4 crores, a growth of 56% on YoY basis. Both HMDS and CMIC are gaining traction and are currently performing satisfactorily. CMIC's newly expanded capacity is also contributing to the growth, and production is expected to ramp up in the coming quarters. On the other hand, the Bromide chemicals have recorded a strong performance on the back of a high-order book. We anticipate consistent performance from these chemicals in the coming months.

Commercial production of P9 unit is expected to commercialize by end of Q2FY23 whereas we are targeting P10 unit to commence by end of this financial year. Post expansion program, we will be well prepared to arrest the upcoming opportunities not only for existing products but also for new products. Some of the new products which we are targeting are primarily imported substitutions.

Our technological expertise has propelled us to the forefront throughout the years, and we are well positioned to capitalize on prospects in pharmaceutical chemicals. We are persistently working to restore business growth and extend our product offering to our clients. India is still a net importer of numerous pharmaceutical chemicals, so there is vast headroom for a manufacturer like us to establish ourselves as a long-term trusted and sustainable partner.”

- **Board of Directors has approved the payment of Interim dividend of Rs. 4/- per share of face value of Rs. 10/- each (@ 40% of face value of share) for the FY 2022-23.**

About Chemcon Speciality Chemicals Ltd.

Incorporated in 1988, we are a manufacturer of specialized chemicals, such as HMDS & CMIC which are predominantly used in the pharmaceuticals industry and inorganic bromides, namely Calcium Bromide, Zinc Bromide and Sodium Bromide, which are predominantly used as completion fluids in the oilfields industry. In terms of production in the CY2019, we were the only manufacturer of HMDS in India and were the third largest manufacturer of HMDS worldwide. We were the largest manufacturer of CMIC in world. Further, we were the only manufacturer of Zinc Bromide and the largest manufacturer of Calcium Bromide in India. We have 8 manufacturing facilities located at Manjusar near Vadodara in Gujarat. Our business presences are spread in USA, Germany, Italy, S. Korea, China, Japan, UAE, Serbia, Russia, Spain, Thailand and Malaysia. We are a ISO 9001:2015 and ISO 14001:2015 certified company for the “Manufacture and supply of pharmaceutical intermediates, silanes and oilfield chemicals”.
